## HELP US CREATE AN UNFORGETTABLE EVENING

---

We are seeking stylish and unique packages for our newly imagined auction at Rockin' on the Avenue. This year, we're elevating the experience with exclusive, higher-value items that align with our Virginia-inspired theme and tasting experiences.

Do you have a connection that could help us create any of the following packages?

- Donate your private reserve of wines or bourbon collections
- Luxury vineyard tours or tastings
- Getaways to beautiful Virginia destinations, such as a second home in the mountains, by the river or at the beach
- Are you a chef or know someone who can create a private, in-home culinary experience?

Community support is what makes this event truly spectacular. To discuss the donation of an auction or raffle package, please contact Lisa Patten at [lisa\\_patten@bshsi.org](mailto:lisa_patten@bshsi.org).

**Thank you for helping us make this year's event truly exceptional!**
